

# Prince of Peace Lutheran Soccer Camp

June 5 – 9, 2017

It is time to register for the 4<sup>th</sup> annual Prince of Peace Soccer-Bible Camp! Our property size allows us to have 3 soccer fields that meet the regulations for age 3-9. Therefore, we limit participation to children in that age range. First time soccer players will learn basic skills. Children with experience will hone those skills under the guidance of coaches who have had years of experience on the soccer field.

Our camp is about more than soccer, though. It is about life. It is about the real life that God has given us. And we think that the game of soccer is a great venue to share that message and even help the children to understand it better. We always use the game of soccer to teach the children how much their Savior loves them. Each day, the children are taught a Bible lesson about Jesus' love. This important message is given to the children in fun, creative, and genuine ways that we hope will stay with the children long after the camp is finished. Enjoying something we are familiar with - the game of soccer - helps get that message across!

But they also learn the game of soccer. We have wonderful coaches who will be coaching the children in the skills of the game. And they are great with kids! The camp will run for 5 days, from Monday through

Friday, 9:00 am - 11:00 AM. There is a \$35 charge per child. With this fee each child receives a soccer jersey with the child's name on it and water bottle .... and much more! **Each child should bring shin guards with socks to hold them in place and soccer cleats** (although tennis shoes will work). On the application form, **be sure to include the size soccer jersey** that you prefer for your child. We only have room for 72 children. Registration begins March 1<sup>st</sup>. All registrations are done on line. Please complete the information as soon as possible to assure a spot for your child. We look forward to meeting your child and we promise to have fun!

**Thank you!**
